

# 2016 Seminar Programme Schedule

## Universal® Exhibit #X089

### Seminar 1

#### High Traffic Events – 2016 Brazil Summer Games.

If you are planning to operate into Brazil for the 2016 Summer Games in Rio de Janeiro, this is one you don't want to miss.

Our subject matter expert from Brazil will pass on the latest operational information concerning this major international sporting event, to help you stay one step ahead of the unforeseen, and ultimately exceed the expectations of your passengers.

**Tuesday 24 May, 2016**

1100-1130 or 1530-1600

**Wednesday 25 May, 2016**

1000-1030

**Thursday 26 May, 2016**

1000-1030

### Seminar 2

#### Introducing uvGO. Trip management made easy.

This interactive training seminar shows you how to easily plan, build, and manage successful missions worldwide—from beginning to end, in one simple interface.

uvGO<sub>sm</sub> available as an Apple® iPad® app or online, is designed to be simple to use and intuitive, giving you the option to utilise do-it-yourself trip planning resources or work through your Universal® Trip Support Team.

**Tuesday 24 May, 2016**

1400-1500

**Wednesday 25 May, 2016**

1100-1200

**Thursday 26 May, 2016**

1100-1200
