Jet Aviation DXB (Dubai, UAE) was the high scorer for the 2008 award of Best FBO in the Middle East and Africa. With top-rate facilities in Switzerland and the Middle East and 2 outstanding bases in the US—TEB and PBI—Jet Aviation is well known for its full range of facilities wherever its unique red logo appears. In addition to rapid fueling, operators know that Jet Aviation can provide a complete new interior, fix avionics or have a ski pole tear in the overhead repaired. Pilot voters commented that the DXB facility was especially remarkable for the worldly capability of its employees and the range of services provided for customers.

Hong Kong Business Aviation Centre wins our *Pro Pilot* 2008 PRASE Survey Award for Best Asian FBO. This FBO works in combination with Signature HKG (Chek Lap Kok, Hong Kong, China). Business aircraft visits here are increasing as corporate trade with China continues around the world. General Mgr Madonna Fung and her staff are determined to keep winning this *Pro Pilot* Best Asian FBO award. This was the 1st year for the category of Best Asian.
