Universal Names Bobby Butler VP and Chief Compliance Officer

Houston (July 8, 2008) – Universal Weather and Aviation, Inc., the recognized pioneer in trip support services for business aviation, recently named Bobby Butler as the company’s new Vice President and Chief Compliance Officer.

A Houston native, Butler has 18 years of experience in international business and a broad knowledge of global compliance requirements and programs. Prior to joining Universal®, Butler served as Senior Compliance Adviser for ConocoPhillips and as Senior Compliance Manager for Baker Hughes.

“With our current global growth strategy and growing employee population, Bobby will manage and enhance company policies and compliance programs,” said Universal® President and CEO Ralph Vasami. “He will also provide focused, dedicated efforts to ensure that, as we grow, we continue to be mindful of global compliance issues and requirements while maintaining alignment with our core values of integrity and accountability.”

###

At Universal Weather and Aviation, Inc., our goal is to become a vital extension of our clients’ flight operations teams. Universal® offers a wide range of services designed to provide business aviation operators seamless service from start to finish. Universal’s wide range of services includes flight planning, weather briefings, online tools, the UVair® Fueling Card, Universal Aviationsm worldwide ground support, UVdatalink® air-to-ground communication, and more. Universal has been facilitating successful trips for business aviation operators since 1959.
