### General/Passenger Information

Whale-filled seas, heavenly beaches and trade winds warmed by a tropical sun blow troubles away on the island of Maui. Snorkel in crystal-clear waters or play golf on courses of green perfection.

The mythic aura begins high atop Mount Haleakala, a towering, dormant volcano whose crater is large enough to hold Manhattan. Relax on beautiful sandy beaches or explore historic Lahaina, once the capital of the Hawaiian Islands and a famous whaling village.

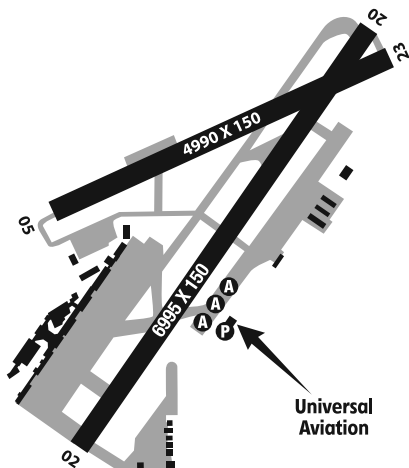

Driving to Hana and the Sacred Seven Pools is a wonderful journey. The road is a twisting narrow ribbon that weaves in and out of sea cliffs, mountains, valleys and waterfalls, and through rainforests and jungles of ferns.
