Subject: URGENT (Last reminder) : Compliance with the EU-ETS 2013/2014

Dear Sir/Madam

This last reminder in order to inform you that you have until the 31 of January 2016 in order to comply with the the EU-ETS as regards your emissions for the years 2013 and/or 2014.

The 2 October 2015, we sent you a letter of formal notice where is indicated firstly that you didn't comply with the scheme as regards 2013 and/or 2014 before the deadline which was on 30 of April 2015 and secondly that you have 3 months after its reception in order do comply with the scheme.

Considering that you received this letter at the latest on 31 October 2015, if you don't submit an annual emission monitoring plan, report your emissions as regards the years 2013 and/or 2014 and finally surrender allowances corresponding to your emissions before the 31 of January 2016, you will be punished for non compliance. Indeed, after the 31 January 2016, we will introduce the procedure of penalty as regards the Regulation 421/2014 of 16 April 2014 amending Directive 2003/87/EC establishing a scheme for greenhouse gas emission allowance trading within the Community, in view of the implementation by 2020 of an international agreement applying a single global market-based measure to international aviation emissions.

As a conclusion, we urge you to comply with the EU-ETS before the 31 of January 2016.

We look forward to your answer as quickly as possible.

We are at your disposal should you have any questions.

Best regards
